

Job Description: We're looking for an intern to join our studios and get valuable experience in learning developing and building a studio, studio tech/support.

**Primary Responsibilities will include:**

- Support technician including reclaim, cleaning, shelf and kiln maintenance, glaze mixing and various kiln support
- Support 3 1-week long summer camp programs in various age groups (June, July and August)
- Assistant instructor and teacher assistant for wheel-throwing and hand-building classes on an ad-hoc basis
- Explore combining woodworking with ceramics (depending upon the candidate's interest)
- Work on social media campaigns
- Candidate will work on 1 special non-recurring project throughout the summer that they are passionate about and that will also enhance the studio. Candidate will work with their managers on identifying and executing on this

**Requirements:**

- Ability to work 40 hours a week across a 10+ week internship
- Curiosity to learn and have a positive impact on the studio
- Experience with clay, sculpture, hand-building or wheel-throwing
- Proficiency with G-suite (Sheets, Docs, G-mail, etc...), Instagram and other software
- A "can do" attitude when it comes to work
- Understanding that not all work is going to be glamorous
- Strong communication skills
- Ability to lift 40 lbs
- Strong preference for candidates who have prior experience working in a ceramics studio
- Preference for candidates currently enrolled in an undergraduate program with a focus on arts

Candidates should email their resumes to [Daniel@clayroomsf.com](mailto:Daniel@clayroomsf.com) and [Mayetta@clayroomsf.com](mailto:Mayetta@clayroomsf.com).
